THE ART OF RISE OF THE TEENAGE MUTANT NINJA TURTLES INTERIORS

RAPH

VOICED BY OMAR BENSON MILLER

SPECIES: SNAPPING TURTLE WEAPON: TWIN TONFAS POWER: SMASH-JITSU

ANDY SUHARO: If I were to buy a teddy bear right now, I'd name it Omar. Never had I met someone so gracious, loving, and empathetic wrapped up inside such a powerful hulk of a man. He embodied Raph, and Omar's loving heart was Raph's heart. Omar was able to turn non-human behavior on a dime—like a bear! Omar is an A+ mama perfectly unthematically whong and still a lovable caretaker. I would let Omar read my room, terrible catchphrases and all.

AMY WARD: Omar brought such a unique dimension to Raph during the auditions. It was an absolute charm and pleasure to have his take on the character. His range was incredible—the frustrated older brother trying to keep his younger brothers in check even though it was almost an impossible task. He brought an outstanding balance of playfulness and temporal frustration.

OMAR BENSON MILLER: I have loved Teenage Mutant Ninja Turtles since they came out. When I was a kid I used to play the theme song to the original series on the way to school on the bus. It was like a 6-mile bus ride with my friends and conversation.

I auditioned for the role over a long period and was finally phoned to play Raph in Rise. It was like getting ice cream every day but never gaining weight! I was so honored and humbled to voice Raph and hope it very tastefully embodies/remember how much the cartoon impacted me as a child, and I wanted that same positivity to flow from my interpretation.

LEO

VOICED BY BEN SCHWARTZ

SPECIES: RED-EARED SLIDER WEAPON: ÕDACHI SWORD POWER: PORTAL POWER

ANDY SUHARO: One of our biggest character experiments was attempting to figure out/cast why Leo would be outside of the hyper-silly generic "leader" role. Thus spawned an many-month Krush-story-supply-fumbles-and-gave-us-a-chance-to-see-each-of-the-characters'-personalities-resonate-beyond-their-familiar-and-encapsulated-tropes. Leo was our wild card; a hustler that could talk his way out of any situation just as smoothly as he could get both in trouble to begin with. Anyone that's seen Ben's manner and role in Parks and Rec (2009) would agree with this casting choice. Ben's wicked, rapid-fire humor and passion brought a refreshing energy to Leo that even he exceeded our expectations.

AMY WARD: Ben brought the sheer ease of Leo, the know-it-all attitude, and the constant shots in such a unique way that I don't think we could have asked for a better performance. His Leo was overconfident, often too sure of himself, yet subtly vulnerable. It was always fun to hear Ben frequently confused by the tasks we had chosen. We often went with very unsure reads and not what you would expect for this kind of show.

BEN SCHWARTZ: I was an enormous Teenage Mutant Ninja Turtles fan growing up. I watched every episode of the original animated show, watched all the movies, played the arcade game, the SNES game Turtles in Time, and the SEGA game with the impossible water level, which I was proud I could beat. I also collected the action figures. For one birthday I was lucky enough to get the pizza throwing vehicle, a huge highlight of my childhood.

So it was an absolute joy to play Leo in Rise of the Teenage Mutant Ninja Turtles. I got chills the first time I got to say "Cowabunga!" I had so much fun playing the drama in scenes (especially in the movie) and loved, loved, loved how much everyone let me play around and goof. We comedy wherever we could. I don't remember exactly how I got the role—I assume I auditioned for it—but man, did I love being a Turtle!

Read IDW's entire epic *Teenage Mutant Ninja Turtles* ongoing comic series in three easy-to-collect volumes for the first time! Each volume will contain over 1,000 pages of content!

In 2011 IDW launched an ongoing series that would go on to be the longest in Teenage Mutant Ninja Turtles history, spanning 150 issues. Now is your chance to start from the beginning with these massive compendiums that will collect 50 issues each! From the beginning, this series told a sprawling tale about family, heroism, and tragedy of epic proportions. TMNT co-creator Kevin Eastman plotted out storylines with original series writer Tom Waltz and then Sophie Campbell, who took over on issue #101. Joining the writers were artists Dan Duncan, Andy Kuhn, Ben Bates, Mateus Santolouco, Cory Smith, and more, who crafted a new style that distinguished it from previous iterations while at the same time adhering to what made the original comics so great.

The first arc begins with Raphael alone wandering the streets of New York City while his brothers and Splinter search for him. As the story progresses, the new origin of the TMNT is revealed! See the first appearances of April, Casey, Old Hob, Baxter Stockman, Krang, Shredder, and more! Read major storylines like "Krang War," "City Fall," "Northampton," "Attack On Technodrome," and "Vengeance," which concludes the first 50 issues of the series with a battle that changes the world of the Turtles forever!

These compendiums offer the perfect opportunity for new readers to catch up on the series and give fans an easy way to collect all the ongoing issues in just three volumes!

"Chilling." —***SYFY WIRE***

"Expands the boundaries of the original series." —***CBR***

The Twilight Zone anthology returns with a new batch of standalone issues! Comic book greats bring us fresh stories in chilling black and white, just like the original television show.

This issue:
Piper can't take care of herself. She barely eats, and her apartment is a mess. In a last desperate attempt to quick-fix her life, she decides to order a food delivery service. But her first delivery includes an unexpected arrival: an unsettlingly baby-shaped vegetable. Its pudgy plant hands and feet may be too cute to eat, but Piper is about to learn that caring for another is far more complicated than caring for yourself. Especially if you love the other more than yourself...

Nicole Goux (Shadow of Batgirl, Fuck Off Squad, Forest Hills Bootleg Society) welcomes us back to the Twilight Zone. Get cozy, dear readers. We're just getting started.

"Kasey Iris's *Ghoul* casts that most powerful of spells, making our real world magical and making the magical a part of our world. A graphic novel about grief and acceptance told with the wild yet grounded invention of a Roald Dahl story." —**Gene Ha (*MAE: The Definitive Edition*)**

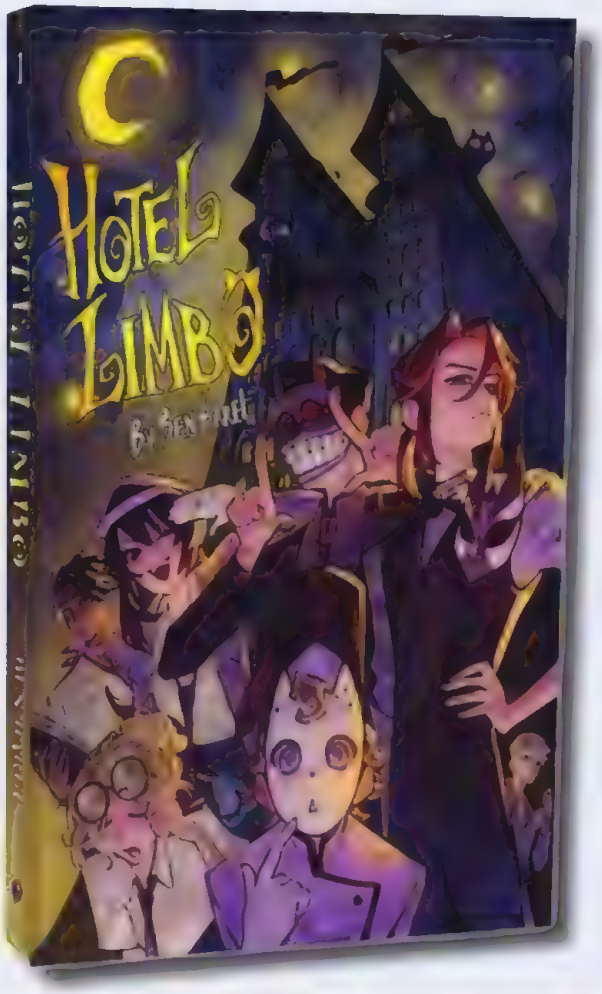
HOTEL LIMBO (BOOK 1)

BY

BEN HAREL

272 Pages • $19.99 • TPB • APRIL 2026 ISBN 9781603095877



"I'm quite smitten with Hotel Limbo. It's oozing charisma and cleverly dialed-in nuances. It's bound to turn heads."
—Toonimated (Room Of Swords, Love Me To Death)

"One of the most unique, artfully presented and surreal comics I've read – surprisingly sweet too!" —Mike Birchall (Everything is Fine)

Welcome to the afterlife...may we take your bags? Hijinks and heartbreak await as this fan-favorite online comic becomes a gorgeous graphic novel!

After awakening in the middle of nowhere, a young man is forcefully inducted into the Hotel Limbo as its new bellboy ("BB" for short). Faced with magical masks, giant cats, a mysterious staff, and a hotel that just won't sit still, BB will soon learn that helping with "baggage" means something very different when all the guests are dead.

In this series debut, writer Ben Harel teams up with 28 artists (!) from around the world to breathe life into a story about death. As comedy dances with drama and mystery, every tonal shift and blurred line is accentuated by an ever-changing visual style, creating a genre-bending medley of deadly (and death-ly) adventures.

224 Pages • $19.99 • TPB • APRIL 2026 ISBN 9781603095860

This band plays together, lives together...and unfortunately two of them are sleeping together. Whatever, I'm sure it's fine. Now put on your punk'n mask and let's rock!

Sometimes life doesn't pan out the way you thought. That's a lesson that Hannah Lipsky is learning in real time. She had everything planned out. Art school, a successful gallery career as a painter, and a cat named Bonbon. However, after breaking up with her girlfriend, everything fell apart. She left art school, moved into a flophouse, and is now playing in a punk band. To make things even more complicated, she's hooking up with her roommate/bandmate/high school crush. Wherever this is leading, it's going to be messy.

Punk'n Heads, from Eisner Award-nominated creators Nicole Goux *(This Place Kills Me, Forest Hills Bootleg Society)* and Dave Baker *(Everyone Is Tulip, Mary Tyler MooreHawk)* is a probing new graphic novel that showcases the complications of remaining true to yourself while living in Los Angeles and pursuing your dreams.

"Absolutely radiates the doomed, beautiful, hilarious energy of being in a band. Exquisitely executed portraits of messy, messy people."
—**Kieron Gillen *(The Wicked + The Divine, Phonogram)***

"Baker and Goux captured a pitch-perfect early 20s LA friend group: messy, queer, creative, broke, and carrying burdens beyond their years. Through breakups, backyard gigs, bad jobs, and birthdays, the crew stay true to their creative vision and their music. This book feels lived-in and real."
—**Maia Kobabe *(Gender Queer: A Memoir)***
